“The Nebraska Association of Senior Centers exists to promote and support senior centers in Nebraska by offering senior center staff the opportunity for educational experiences, support and networking.”

Membership Benefits

The purpose of NASC is to promote and strengthen the profession of senior center managements and senior centers within the aging network.

- *Provides an annual Conference
- *Provides a Quarterly Newsletter
- *Provide Networking Opportunities for Senior Center Staff throughout Nebraska
- *Educates Members About Pertinent Legislation
- *Promotes Senior Center Visibility Statewide

*Advocates For Senior Centers on the State Level

To become part of this growing organization and to experience the benefits of membership, complete the application and send a check to our treasurer who is listed on this brochure.

What is a Senior Center?

A senior center is a community focal point where older persons, as individuals or in groups, come together for services and activities, which enhance their dignity, support their independence, and encourage their involvement in and with the community.

As part of the comprehensive strategy to meet the needs of older persons, senior center programs take place within and emanate from a facility. These programs consist of a variety of services and activities in such areas as education, creative arts, recreation, advocacy, leadership development, employment, health, nutrition, social work and other supportive services.

The center also serves as a community resource for information on aging, for training professional and lay leadership and for developing new approaches to aging problems.

Quoted from "The Older Americans Act"
